

# Shortlisted: Call for ROM Experts

Landell Mills is delighted to confirm its shortlisting for the EU-funded **Results Oriented Monitoring (ROM) system for external aid interventions: Neighbourhood Region** contract. The project sits within DG NEAR's operational remit and aims to advance the EU's neighbourhood and enlargement policies.

Our Consortium is currently delivering the successful ROM Global contract for DG INTPA and we are now seeking experienced and versatile M&E experts to join us in filling vacancies for the positions of **Team Leader, Deputy Team Leader, Senior Key Experts** and for our pool of **Non-Key Experts**.

It is important that experts have experience in the following regions and thematic areas (we particularly welcome CVs from candidates who are fluent in both French and English):

## **Regions of focus:**

**Neighbourhood South:** Algeria, Egypt, Israel, Jordan, Lebanon, Libya, Morocco, Syria, Tunisia and Palestine

**Neighbourhood East:** Armenia, Azerbaijan, Belarus, Georgia, Moldova and Ukraine

## **Thematic knowledge:**

We are especially interested in hearing from experts with an expertise in **Climate Change, Migration, Border management/Conflict prevention** and **Governance**. However, we are also interested in receiving CVs from experts who have significant knowledge of:

- Democracy & Rule of Law
- Fundamental Rights
- Public Admin Reform
- Investment Climate
- Education and Culture
- Agriculture and Rural Development
- Water and Sanitation, Environment and Natural Resources
- Energy
- Civil Society
- Sustainable Cities & Transport
- Nuclear Safety

If you are interested in being put forward for one of these positions, please contact [Pascalo@landell-mills.com](mailto:Pascalo@landell-mills.com), including your most up-to-date CV.
