

## Key Expert 2 – Technical Centres Expert

### Technical Assistance for the ASPIRE-AT Programme, Cambodia

#### About the project

Project at Tender stage.

The ASPIRE-AT Programme aims to strengthen Cambodia's agricultural sector by improving rural infrastructure, supporting value chains, and building the capacity of technical centres and institutions. The Technical Assistance assignment will provide advisory services, capacity building, and supervision to ensure sustainable, high-quality outcomes.

#### About the role

We are seeking to recruit a **Technical Centres Expert** with experience in supporting and operationalising agricultural centres of excellence, including vision-setting, business planning, staffing, procedures, and networking to enhance applied research, agronomy, and agro-processing.

- Project location: Cambodia (Phnom Penh + provinces)
- Part-time input over project duration
- Approx. 450 working days (i.e. 112 days per year (about half-time), of which 50% in-country minimum)
- Contract period: December 2025-December 2029
- Funding agency: European Investment Bank (EIB)

#### Required expertise and experience

- University degree in agricultural engineering, agronomy, or related field (agro-processing an advantage).
- At least 10 years' professional experience, including 5 years internationally (i.e. working outside their own country), in supporting technical centres for rural development. Preferably previous experience in strategy development, coordinating training programmes, and strengthening institutional capacity in an agricultural research or training centre. Proven track record in developing visions, business plans, key performance indicators (KPIs), and procedures for centres of excellence.
- Experience in South or South-East Asia preferred but not mandatory.

#### How to apply

Please send an up-to-date CV to [caseyl@landell-mills.com](mailto:caseyl@landell-mills.com) as soon as possible, including your desired daily fee rate. Applications will be reviewed on a rolling basis, so early submission is encouraged. Please send any queries regarding this role to the same email address.
